

ABOUT ME

I am a simple and down to earth person having positive outlook towards life. I will be there for you in ups and downs of life.

I respect elders and have a giving attitude towards society. I am a kind of a person who believes in constructive activities. I believe in mutual respect in a relationship and will support my partner in pursuing their interests.

I am open to pets and would love to adopt.

EXPECTATIONS

Looking for a person with matching vibes and understanding. She should have respect for elders and should be committed towards marriage. I prefer a person who would continue their job and will want to excel in their field.
