Net Relationship Value (NRV) is an aggregate of the average value of certain relationships you hold with us, calculated on a monthly basis. It not only considers the savings balance in your account but also includes your fixed deposits (FD's), investments & insurance policies taken through Citibank, outstanding principal on Citibank Home Loans and a part of the holdings in your Citibank Demat Account.

For example, if you have subscribed to investments worth Rs. 1.5 lakhs through your Citibank account and have Rs. 50,000 in an FD, then your NRV is Rs. 2 lakhs, even if the balance in the savings account is nil.

Below is a working example of how the NRV is calculated:

Holdings	Rs.	Description
a) Current/Savings Account	25,000	Average for the Month, Calculated based on total of daily end of day balance/total number of days.
b) Fixed Deposit	25,000	Daily end of day balances Principal amount/total number of days.
c) Mutual Funds	40,000	Daily end of day balances/total number of days
d) Loans against securities	25,000	Daily end of day balances/total number of days
e) Demat Holdings	1,00,000	25% of the demat average balance.Demat average balance=Sum (non pledged shares x Market rate)
f) Insurance Premium	10,000	Sum of total premium paid**
g) Mortgage/Home Loan	5,00,000	Outstanding principal amount
Average Monthly Relationship Value	6,50,000	a+b+c+d+25%xe+f+g

^{**}Towards active indivdual life insurance policies with the account holder as proposer.

W.e.f. 1st April 2015, you will get an additional one month to build up your Net Relationship Value (NRV) in case it falls below the required threshold. Further, we have revised the NRV non-maintenance charges to only 1% of the NRV shortfall or Rs. 600, whichever is lower, applicable only if you are not able to maintain the NRV by the end of the next month. The shortfall will be calculated on the higher NRV maintained across the two consecutive months.

For Example: Account with monthly NRV threshold = Rs. 1 lakh;

Scenario 1: Your monthly NRV is Rs. 80,000 and hence, shortfall = Rs. 20,000 -> Charge levied on your account @ 1% of Rs. 20,000 or Rs. 600, whichever is lower; therefore, charge = Rs. 200

Scenario 2: Your monthly NRV is Rs. 30,000 and hence, shortfall = Rs. 70,000 -> Charge levied on your account @ 1% of Rs. 70,000 or Rs. 600, whichever is lower; therefore charge = Rs. 600

Please note that the above example is for illustration purpose only. Threshold for the account varies basis the type of account held with the bank.

To know more on how to build up your NRV and to help you understand the above changes better, please visit www.citi.co.in/nrvfaq.htm.

Protect yourself against SIM Swap.

What is SIM Swap?

- Fraudster collects victim's personal banking information
- Fraudster approaches victim's mobile operator with victim's fake identity proofs & obtains a duplicate SIM card
- Mobile operator deactivates the original SIM card post successful verification & issues a replacement SIM
- Fraudster generates the One Time Password (OTP) which comes on the new SIM & carries out account transactions without victim's knowledge

Tips to safeguard yourself against SIM Swap

- If your mobile stops working for unusual reasons, check with your mobile operator immediately
- Never disclose Internet banking password/ATM PIN/Telephone PIN to anyone
- Do not disclose your mobile number on social media platforms
- Register for both SMS as well as e-mail alerts to stay informed about transactions on your account
- Never respond to unknown mails or calls asking your account details and registered mobile number

This product / service is offered by branches of Citibank NA in India.

@ 2019 Citigroup Inc. Citi and Arc Design are registered service marks of Citigroup Inc. or its affiliates used and registered throughout the world.

We want you to bank safe at all times. You may contact us at 1800 267 2425 (India toll-free) or +91 22 4955 2425 (local dialing) and log a complaint or block your card immediately, in case you experience any of the following situations:

- * You have lost your Citibank Bank Debit / Credit Card.
- * Your Citibank Bank ATM / Debit Card is stuck in the card slot of an ATM.
- * You received an alert for a transaction you did not make.
- * You used an ATM to withdraw cash and the money is not dispensed
